

STUDENT SUMMER PROGRAMME 2022

8 WEEK PROGRAMME

Manufacturing our highly demanded trailers or office based opportunities

£360 PER WEEK

Our successful Student Summer Programme is back for 2022.

Since starting the Student Summer Programme 2019, we have students still working at IWT with some in Managerial positions. Working within our world class manufacturing facilities located across North Wales. The programme will involve working with our enthusiastic team, manufacturing our highly sought after products.

Ideal for students, graduates and those wanting work experience.

Full training, along with suitable work wear will be provided.

Start date:

Week commencing Monday 4th July

End Date:

Week commencing Monday 29th August

We are also accepting students who are available for longer than 8 weeks

APPLY NOW

Contact our recruitment team on **01490 412 626** or email applications@iwt.co.uk to request a company application form.

A sign off bonus of **£250** will be awarded to those who have achieved full attendance and worked consistently to a high standard.

ROLE REQUIREMENTS:

- All applicants must be available to work for the entire 8-week programme
- You must be available to attend an assessment day at our Tyn Lliidiart site on:

Saturday 2nd July

- Successful candidates must be available to attend a new starter induction on either:

Tuesday 5th July

or

Wednesday 6th July

WHAT ARE WE LOOKING FOR?

- A good level of practical skills
- An excellent attitude to achieving the highest standard of work
- The ability to fit in and work successfully within a fast-paced team
- Candidates from any discipline will be considered
